

## **WILDFLOWERS**

Designed & Taught by  
Tatyana Bychkov

### **INSTRUCTOR'S COMMENTS:**

I was looking for a project that would let me combine straw marquetry and straw weaving. After learning how to weave petals, I decided it would be a good time to combine these two techniques on a canvas.

**CLASS TIME:** Sunday, February 23, 9:00-noon and 1:00-4:00

**FINISHED SIZE:** 8 inches by 8 inches

**SKILL LEVEL:** Intermediate

**PREREQUISITES:** prior experience with marquetry preferred

**TECHNIQUES USED:** various marquetry techniques, Belarusian petal weave

**CLASS KIT:** \$5.00 (to be paid directly to instructor in class, check or exact cash is greatly appreciated). Kit contains all materials needed for the project.

**BRING TO CLASS:** white glue and small paint brush  
small craft scissors with sharp points  
craft scissors with straight ends, medium size  
thicker consistency glue such as Crafter's Choice or Tacky glue  
pencil  
12 inch ruler  
thread
